شركة البنية التحتية للنفط والغاز
NATIONAL PETROCHEMICAL CONSTRUCTION COMPANY

شركة الحفر الوطنية
NDC
NATIONAL DRILLING COMPANY

بروج
Borouge

شركة أبوظبي للعمليات المنزوعة الحثوية
Abu Dhabi Company for Onshore Oil Operations (ADCO)

ADNOC, TAKREER, GASCO, ZADCO, ADGAS, ADMA, NPCC, NDC, ADCO, BOROUGE, TOTAL,.... are some of the prestigious companies who have already chosen ADCC.

OIL / GAS & PETROCHEMICAL INDUSTRY

Since 1974, AOCC has been a major establishment for supplying Electrical, Electronical & Mechanical Equipment and providing services to the Petrochemical Industry.

OIL / GAS & PETROCHEMICAL INDUSTRY

With an extensive product knowledge we are able to proficiently advice our clients helping them select the material best suited to their needs.

Our daily contact with manufacturers guarantees you efficient and timely assistance.

OIL / GAS & PETROCHEMICAL INDUSTRY

- **Your technical partner.** 
- **Competitive pricing due to a high sales volume.** 
- **On time delivery.** 

THE CONSTRUCTION INDUSTRY (FORMTEC)

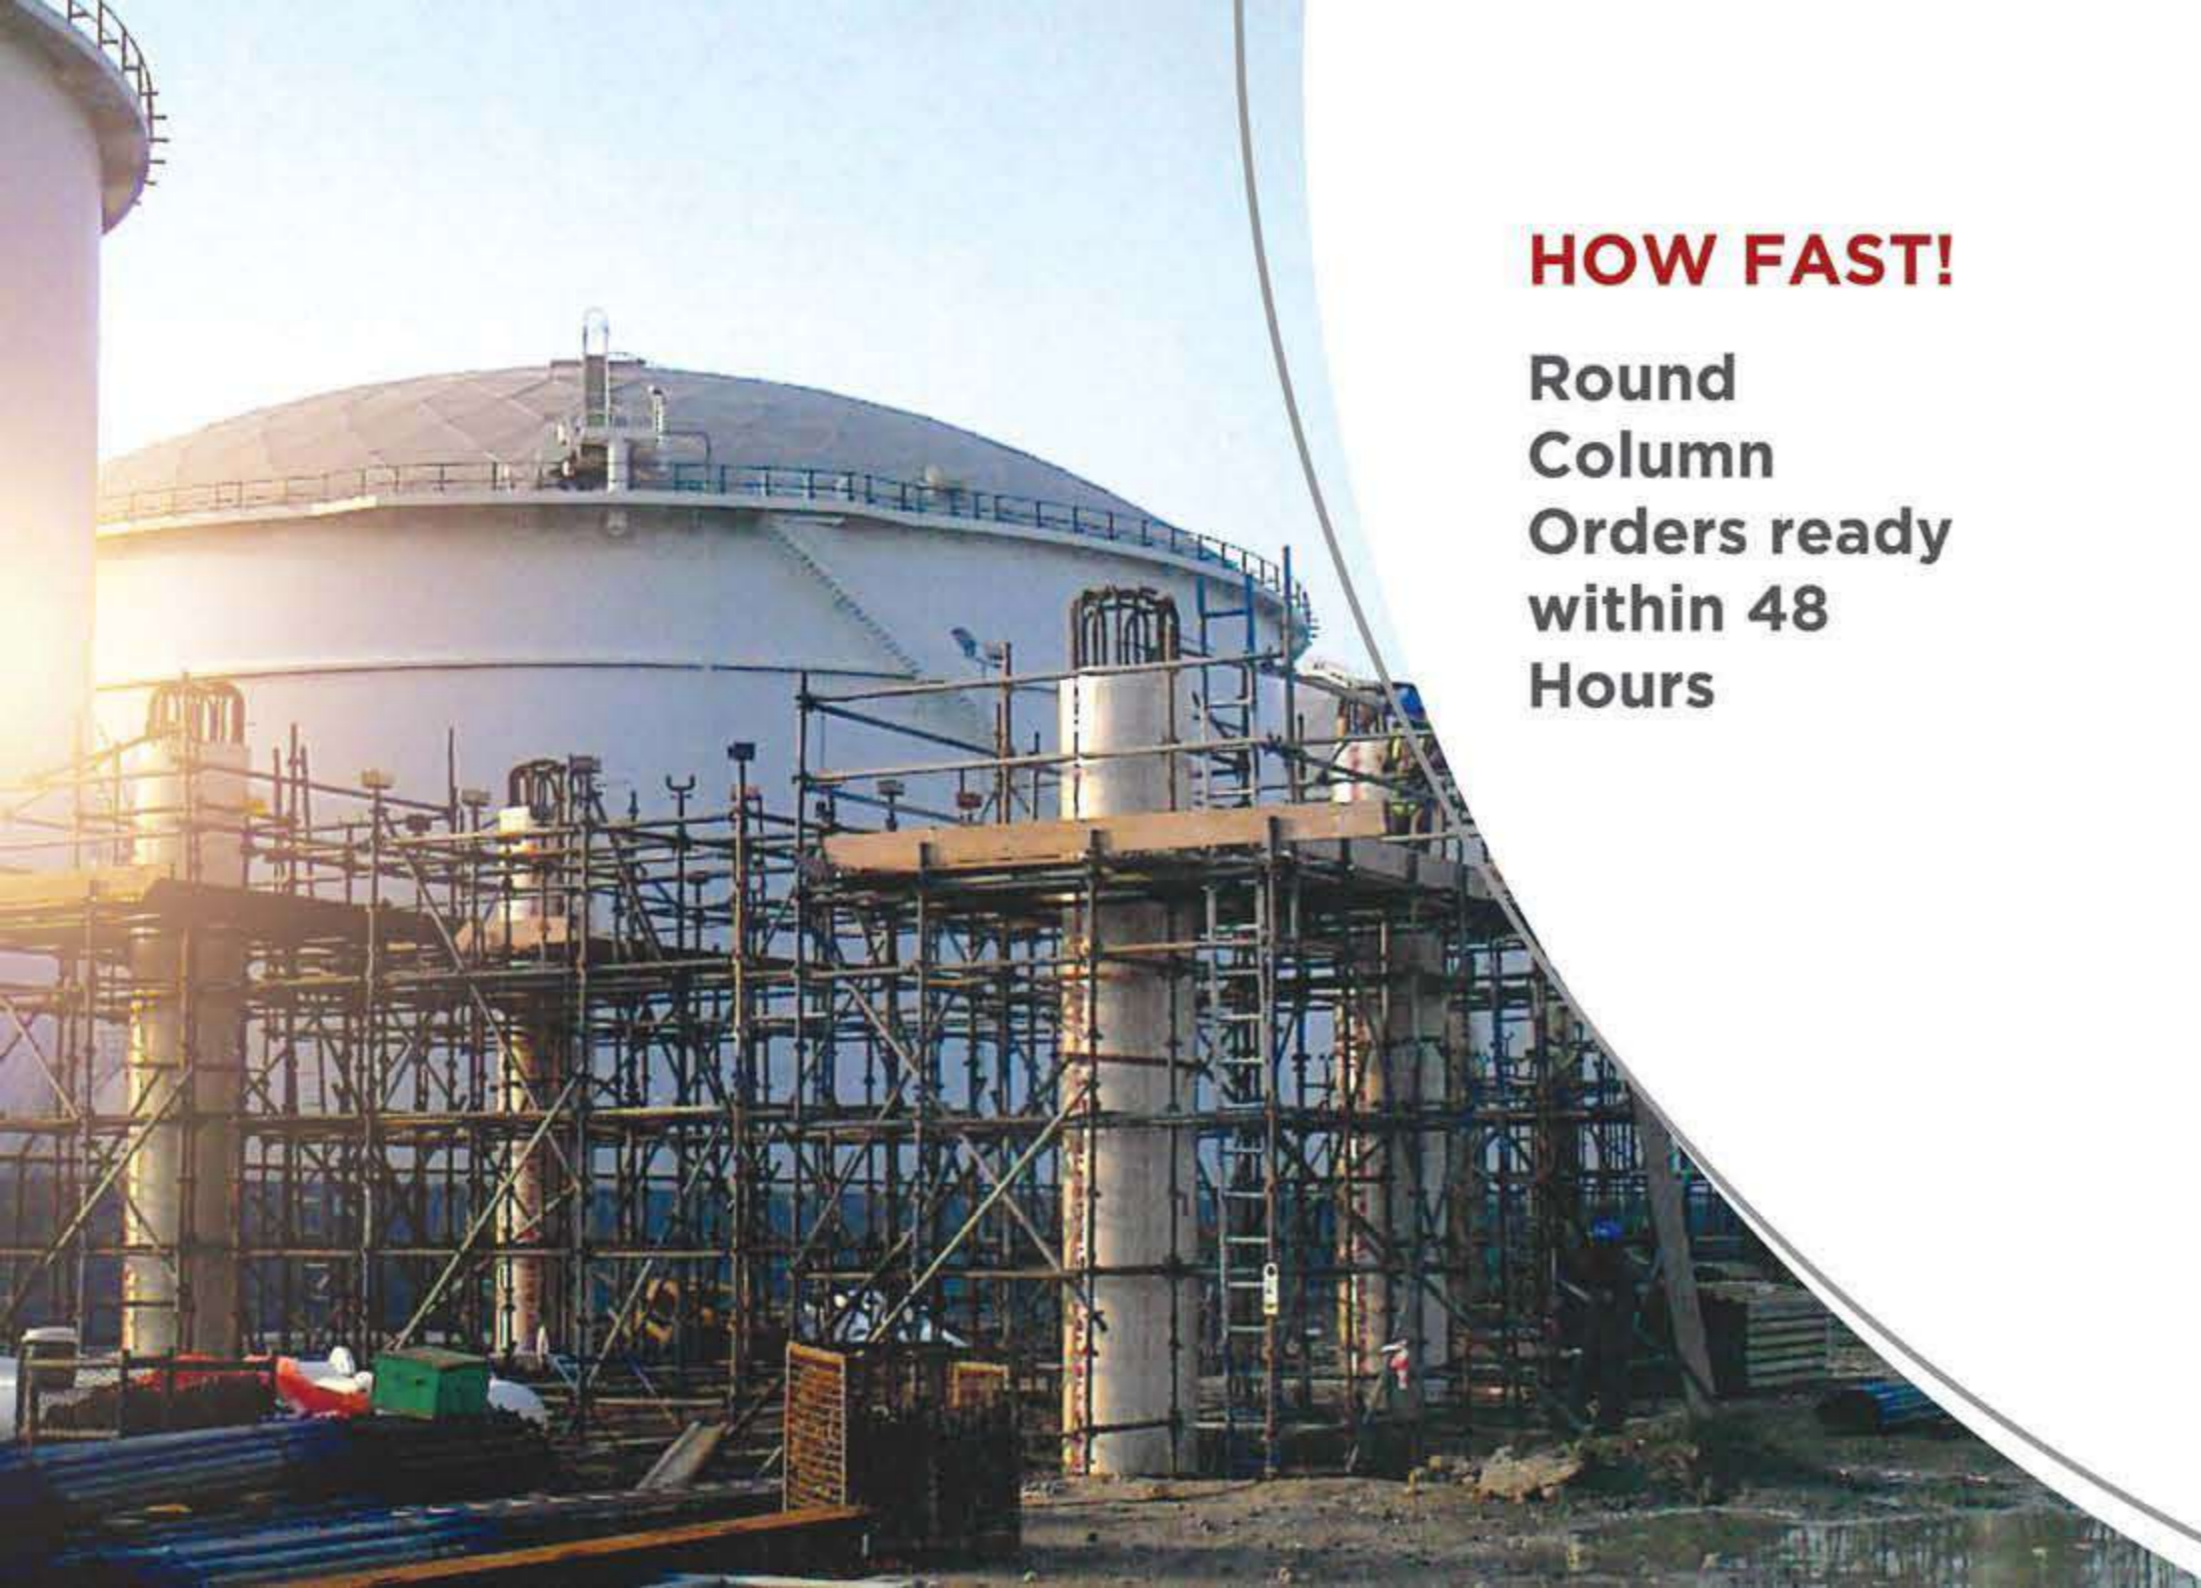

THE CONSTRUCTION INDUSTRY (FORMTEC)

Major Projects that used our building systems include:

Media City, International Exhibitions AUH,
Madinat Jumeirah, Irish Schools Complex (20 Schools),
Dubai Metro, Burj Khalifa, Salam City, Dubai financial Centre,
Strategic Pipeline Footings, Jumairah Palm Island Bridges

335 Projects and Counting

HOW FAST!

Round
Column
Orders ready
within 48
Hours

THE CONSTRUCTION INDUSTRY (FORMTEC)

What We Design & Supply:

- **Disposable Round Column Moulds**

Our Reltec column moulds range covers 250mm to 2000mm in diameters and up to 12 meters in height. All sizes are incremented 50mm

HOW FAST!

**Square section
columns and
walls within
72 Hours**

THE CONSTRUCTION INDUSTRY (FORMTEC)

What We Design & Supply:

- **Reusable Square Section Moulds**

Our robust Formtec aluminium square section moulds are designed to be ready for use within minutes and cover almost any size or shape requirement. These Moulds can be reused 1000 times.

**BREAKING
OLD HABITS
ONE SITE AT
A TIME**

THE CONSTRUCTION INDUSTRY (FORMTEC)

Where are the Benefits of our Building Systems ?

Building systems offered by Abdeen Projects offer the following benefits, they are always outperforming competition.

THE CONSTRUCTION INDUSTRY (FORMTEC)

30%

COSTS

Up to 30% cost savings if compared to other traditional systems on the market. Our systems Outperform on speed and less usage of machinery On-site storage and transport.

70%

LABOUR

Thanks to speedy implementation, Our systems require less manpower per floor than any other system. this translates into a small workforce with efficient tasking.

10%

INDIRECT SAVINGS

Sites that use our systems are blessed with less cutoffs and waste. They are more clean, safe and forthcoming from a planning perspective.

THE CONSTRUCTION INDUSTRY (ELECTRO MECHANICAL)

THE CONSTRUCTION INDUSTRY (ELECTRO MECHANICAL)

CEGELEC, HYUNDAY Eng.,
BELHASA Projects L.L.C.,
Eastern Bechtel Co. Ltd
are some of the prestigious clients

THE CONSTRUCTION INDUSTRY (ELECTRO MECHANICAL)

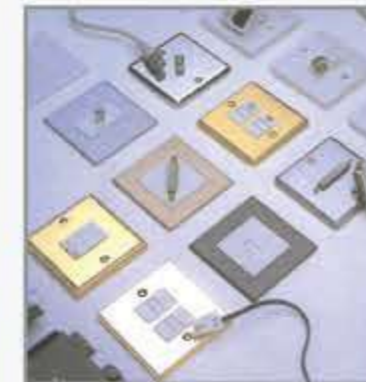

- **Providing you the right product from our wide range of manufacturers.** 
- **Order & product check to ensure you to get the specified product in time.** 
- **Attractive offers due to our low price policy.** 

THE CONSTRUCTION INDUSTRY (ELECTRO MECHANICAL)

With more than **7000** electrical and lighting product references recorded we can supply wide ranges of items to the Building Industry.

INDUSTRIES

INDUSTRIES

Some of our many customers:

OASIS, MILCO, LACNOR, (National Food Products Company), ABU DHABI NATIONAL CARPET FACTORY, EMIRATES LIGHTING FACTORY ABU DHABI FLOUR MILL AND OTHERS ...

INDUSTRIES

Local Industries are growing and their needs are becoming more and more exacting.

ADCC is moving with the Technology Evolution by always supplying the best suited products according to your requirements.

INDUSTRIES

With vast experiences, We can help source Electrical & Electronical components as well as older spare parts which can be time consuming and difficult to locate.

TELECOMMUNICATION

TELECOMMUNICATION

- **We have one of the largest ranges of telecommunications products to meet your requirements.**
- **Backed by excellent technical customer support.**
- **A fast and efficient service to provide you expert advice and to answer all your technical queries.**

ADCC is a supplier for
ETISALAT (national operator)

TELECOMMUNICATION

Following the modernization of the seven emirates federation, ADCC has been closely involved with the development of the Telecommunication Industry.

TELECOMMUNICATION

ADCC with its experience and comprehensive data base can find, in many cases, cheaper and 1 or faster solutions to meet your demands especially when ADCC is working on larger projects.

SERVICES

ELECTRICAL EQUIPMENT & ACCESORIES / LIGHTING

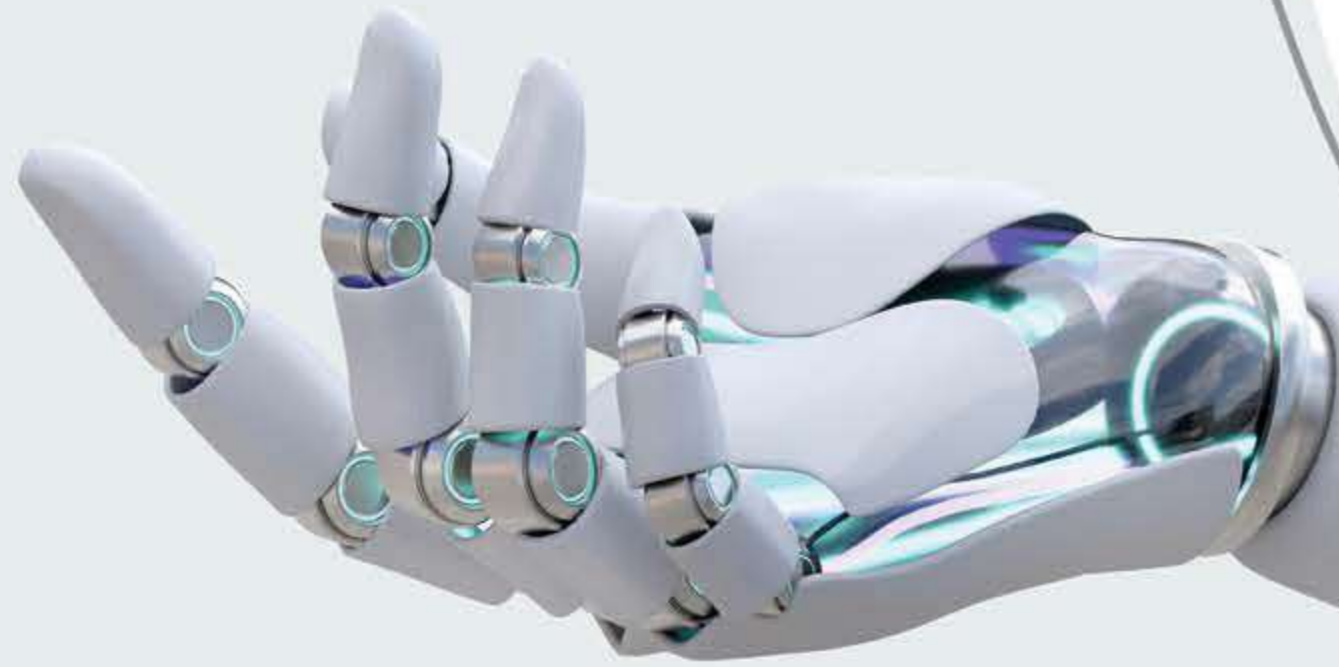

- Cables fault locating instruments.
- Instrumentation cables & power cables.
- Telecom cables.
- Optical fibre.
- Cable markers & accessories.
- Cable ties.
- Lugs.
- Copper terminal.
- Insulated terminals & accessories.
- Cable joint kits.
- Self adhesive tapes & accessories.
- Cables glands & accessories.
- Flame proof junctions boxes.
- Flame proof apperatus & accessories.
- All flame proof items.
- Weather proof electrical fithing & accessories.

ELECTRICAL EQUIPMENT & ACCESSORIES / LIGHTING

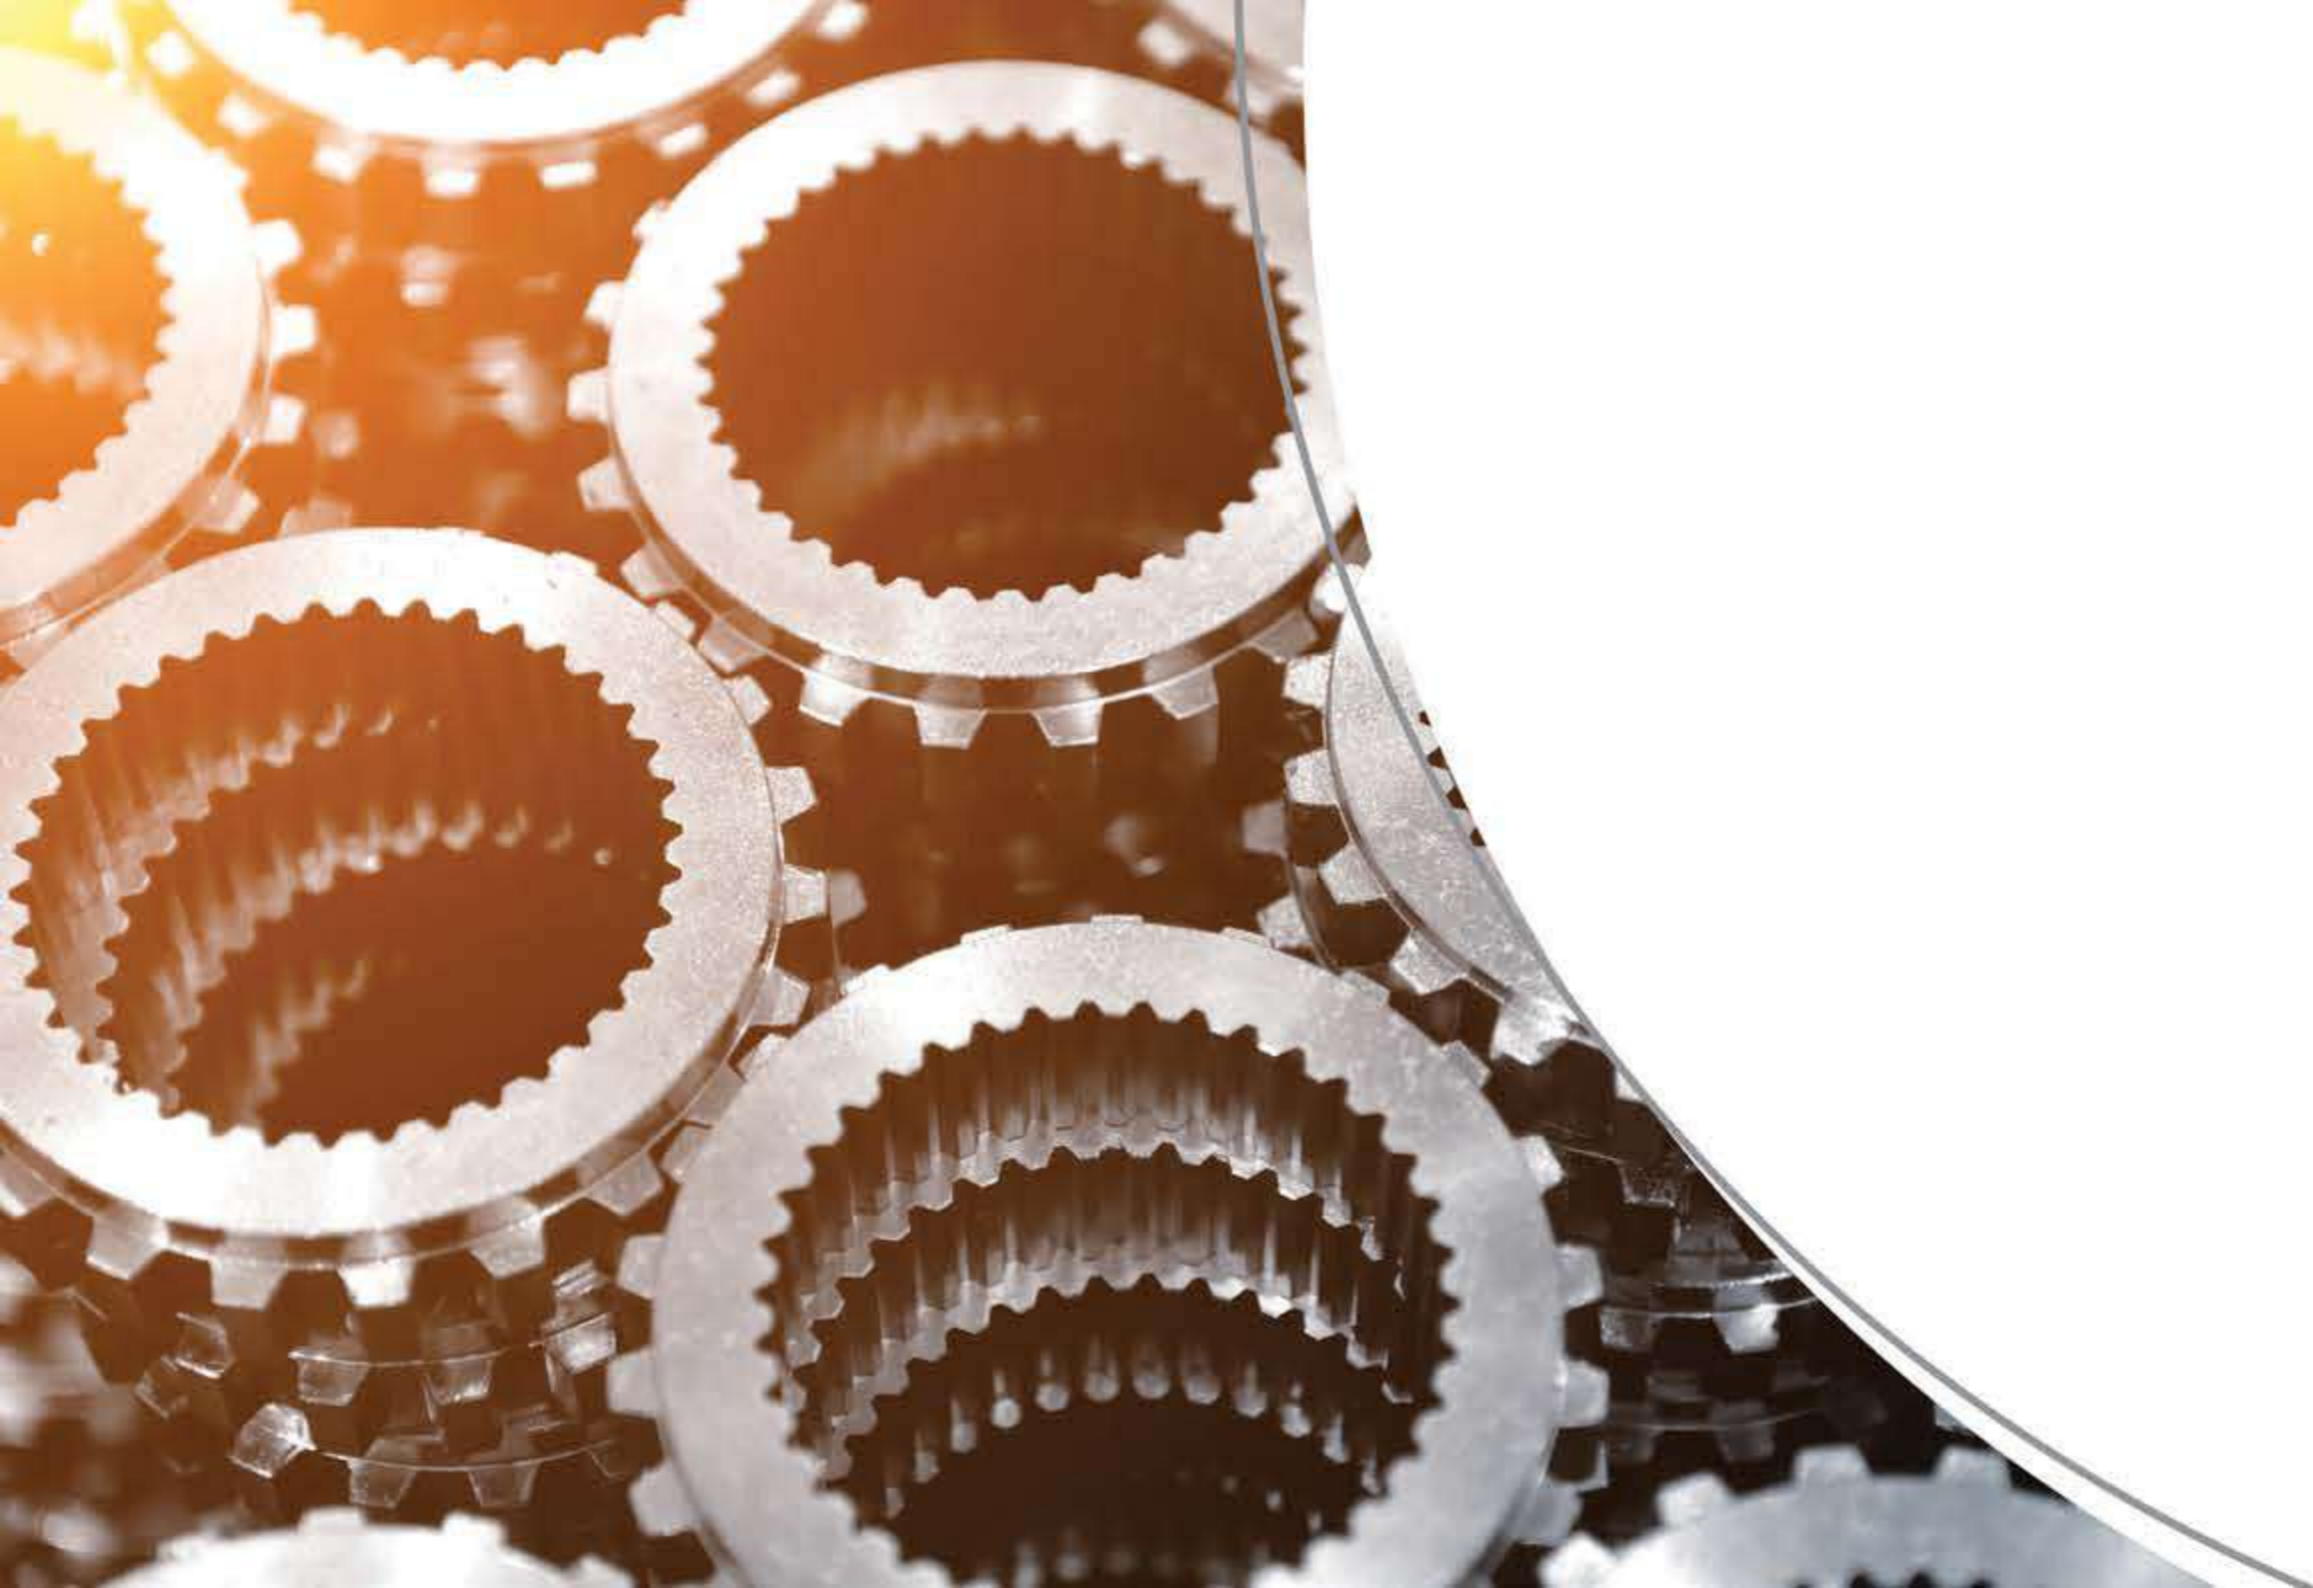

- PVC pipes & accessories.
- GI conduit & accessories.
- Contactors, relays, switches, push buttons & accessories.
- Switch gear, circuit breakers & accessories.
- Transformer & accessories.
- Earthing protection accessories.
- All types of lamps (miniatures & glass lamps).
- Flu tubes, fittings & accessories.
- Light fittings & accessories.
- All types of batteries (ordinary & Ni. cadtmeum).
- Tools & accessories.

ELECTRONICAL EQUIPMENT & ACCESORIES

- Spare parts for all type of generators, motors, etc...
- All type of electric & electronic components.
- Instrument panel.
- Purge system.
- Sampling system.
- Measuring equipments & accessories.
- Ultrasonic flowmeters.

MECHANICAL EQUIPMENT

- Medium & large industrial boilers.
- Carbon alloy & stainless forged products.
- Basket subs.
- Casing cutters.
- Casing spears.
- Casing swages.
- Tube swaging machines.
- Tube cutting machines.
- Deburring machines.
- Tube bending machines.
- Tube flaring machines, normal or with double lip.
- Machines for simultaneous cutting & bevelling of pipe ends (to chamfer pipe ends for welding).
- Hydraulic casing cutters.
- Automatic orbital tube, pipe and tubesheet welding equipment.
- Tube fitting & instrument manifolds.
- Finned tubes for heat exchangers.

MECHANICAL EQUIPMENT

- Thread protectors in plastic, metalloplastic & tabular protections for casing, tubing, line pipe & drill pipe.
- Pipes in carbon & alloy steels.
- Stainless steel pipes.
- "Y" strainers & stream traps.
- Sand casting, centricast tubes, vertical centricast pieces.
- Welded pipe & fitting in stainless and special alloys. (large diameters & heavy wall thicknesses).
- Drilling and completion tools (cross-over subs, pump joints, blast joints, perforation guns, slotted liners, adabters,).
- Crusher mills.
- Die collars.
- Non magnetic drill collars.
- Fishing tools.
- Hard facing.
- Hole openers.
- Impression blocks.

MECHANICAL EQUIPMENT

- Junk mills.
- Key seat wipers.
- Lifting subs and blugs.
- Milling tools.
- Universal short mills.
- Pilot mills.
- Rotary reamers.
- Reverse circulating baskets.
- Safety joints.
- Section mills.
- Shoulder refacing tool.
- Roller bit.
- Stabilizer.
- Sting taber mills.
- Bit.
- Subs.
- Taber mills.
- Tabe taps.

MECHANICAL EQUIPMENT

- Under reamers.
- Washovers.
- Well Head.
- HP test cells.
- Safety valve.
- Diaphragm seals.
- Valves: gate, ball, plug & accessories.
- Flanges.
- Hydraulic & pneumatic actuators.
- Control system for valve actuators.
- Sweat nozzles.
- Buttweld fittings.
- Thermometers.
- Pressure.
- Differential pressure.
- Temperatures switches.
- Pressure test.
- Gauges.
- Dead-Weight testers.
